The Snake (sin) encircling the world.

Through Adam's sin and fall, sin entered into, and had dominion over the whole world.

See Romans v: 12; 1st John v: 19.

(2)

The Jaws of Hell.

"Therefore hell hath enlarged herself, and opened her mouth without measure."

Isaiah v: 14.

(3)

Skull and Crossbones.

This is a very old, and much used, emblem of dominion.

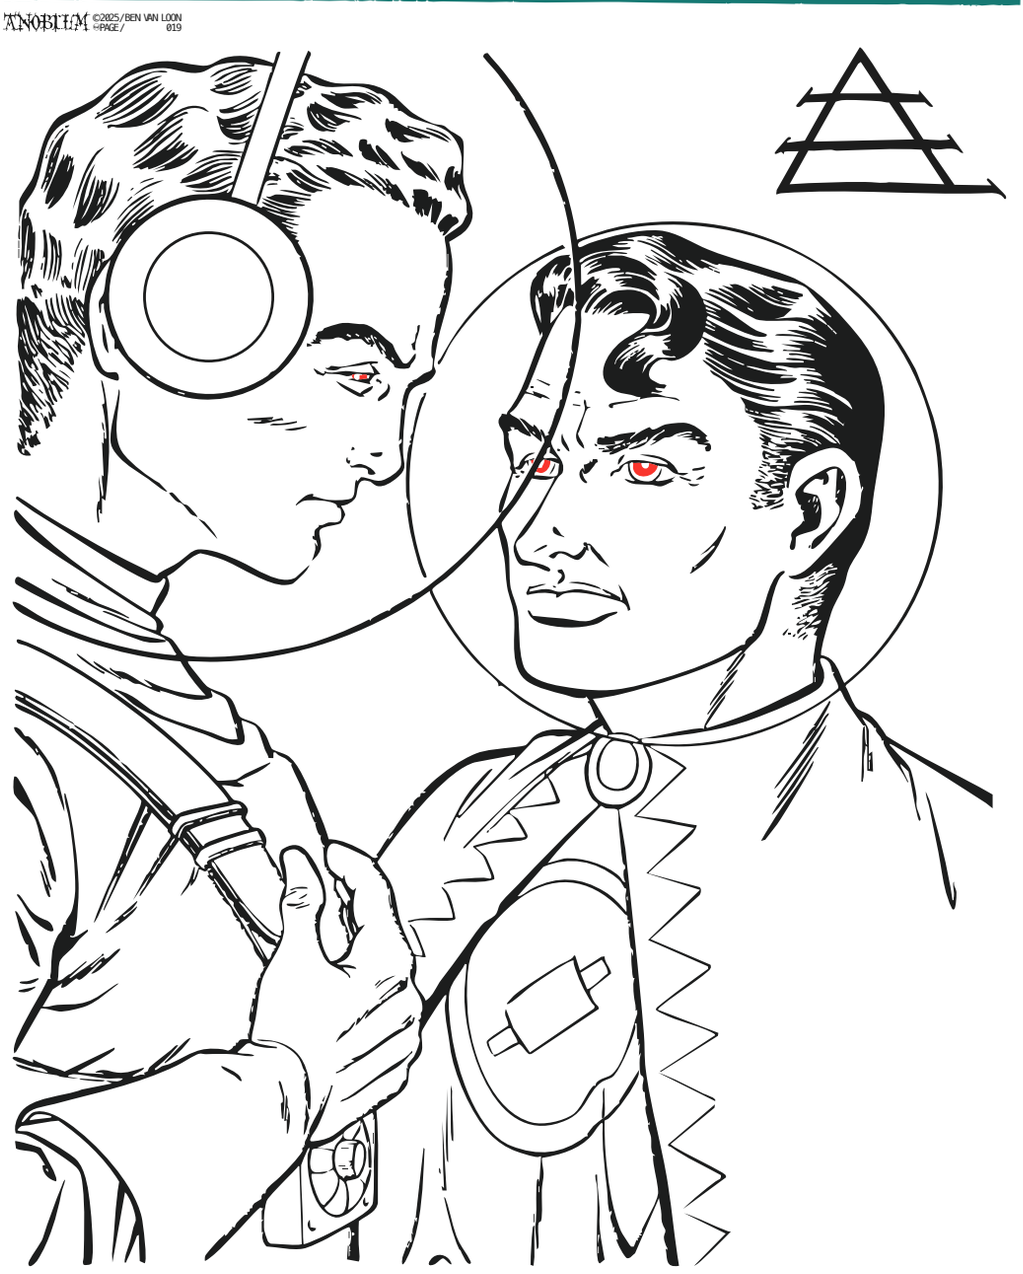
IS TATTOOING A PERVERSION?

Sex fiends and criminals are notorious for their love of a tattoo. Watch out for the danger symbols



Tattooing, psychiatrists have found, often is an indication of far more sinister propensities than a harmless desire to adorn the body with pictures, mottos telephone numbers and bleeding hearts.

Often it's a clue to the sexual criminal, the pervert, the onanist, the homosexual—as well as to various other mental aberrations, such as sadism.

Some authorities believe that as high as 90 per cent of all tattooing among the so-called civilized races is traceable to a mental or criminal aberration.

Most cults recruit members in their teens when prospective members are troubled.
In the initial approach, potential recruits are often unaware.
The goal of this is to get the recruit "street-wise."
